•The Fragile Teen Brain

Wednesday, February 25, 2015 7:30PM

Featuring Stephen Dewey, Ph.D., The Feinstein Institute for Medical Research at North Shore-LIJ System. A candid presentation discusses how alcohol, marijuana and drugs effect the developing teen brain.

•What Adults Need to Know about Bullying

Wednesday, March 11, 2015 1:00PM and 7:00PM

Featuring Tim Jahn, Parent Educator, Cornell Cooperative Extension of Suffolk County Family Health & Wellness Program. This workshop will explore the many ways peer meanness is manifested, what research tells us about bullying and how adults can help the bullied, the bullies and the bystanders.

•Raising Confident & Healthy Girls

Wednesday, April 29, 2015 1:00PM and 7:00PM

Featuring Kerri Kreh Reda, Human Development Specialist, Cornell Cooperative Extension of Suffolk County Family Health & Wellness Program. Girls today receive many messages from popular culture about what it means to be a girl. With a focus on appearance and sexuality, these messages can impact a young girl's developing self-image as well as her body image. This program will look at how adults can balance pop culture images & messages to help girls grow into healthy and confident young women.
