KEEP YOUR **KIDS**
SAFE Online

For many kids, the internet is their life *(NCMEC, netsmartz.org):*

- 93% of teens (12-17) go online;
- Of children (0-5) who use the internet, 80% use it at least once a week;
- 1 in 3 teens (12-17) have experienced online harassment; &
- Girls are more likely to be victims of cyberbullying: *38% girls vs. 26% boys.*

Join us for an innovative, multi-media presentation designed to teach parents about internet safety, the dangers of cyberbullying and social networking websites.
