2010 TOWN HALL MEETING

Thursday, April 15, 2010
7:30 p.m.

Manhasset High School
Auditorium

Teens Don't Just Drink... They Drink To Excess...

In the Spring 2009, the Bach Harrison Prevention Needs Assessment Survey was administered to Manhasset middle and high school students. The survey results indicated that our youth are above national norms when it comes to alcohol use and binge drinking.

Underage and binge drinking presents a multitude of consequences for our youth... consequences that can impact their future in ways one can never imagine. Join featured speaker **TOREN VOLKMANN** as he tells his story of how youthful underage drinking caught up with his own family to produce life altering consequences. Toren will candidly share his story as well as thought provoking communication advice for your family.

Local Experts answer your questions:

- Oscar Michelen, Esq. - *The Law Squad*
- Nancy Morris - *State Farm Agent/Owner*
- Jeffrey Reynolds - *Executive Director LICADD (LI Council for Alcoholism and Drug Dependencies)*

For more information about the Town Hall Meeting or if you would like to volunteer for Manhasset CASA, please contact Cathy Samuels at Manhasset CASA at **516-267-7548**.

This program is partially funded by Manhasset CASA, Manhasset Public Schools, Manhasset SCA and the Substance Abuse and Mental Health Services Administration (SAMHSA) and the Office of National Drug Control Policy (ONDCP).
