# WEBINAR REPLAY

THURSDAY, NOVEMBER 5, 2020

In honor of **Red Ribbon Week**, on October 29, 2020, Manhasset CASA and Manhasset Public Schools hosted a special virtual event featuring Stephen Hill, founder of Speak Sobriety.

Stephen is an author, law student and motivational speaker on substance misuse prevention and wellness. He graduated with honors from John Jay College of Criminal Justice and is currently a student at Brooklyn Law School.

Stephen turned his mess into a message by innovating a dynamic program and presenting to thousands of students, educators and parents for over 100 schools and coalitions. His memoir *A Journey To Recovery* was a new release best-seller on Amazon, and he has been featured on WCBS RADIO 880 NYC and several other shows for his expertise in prevention, treatment, recovery and criminal justice.

The presentation was very well received by the 100 students and parents that attended. Stephen spoke about his struggles with addiction and shared his inspiring story of recovery. There was an interactive virtual Q&A following Stephen's presentation.

Manhasset students in grades 7-12 and parents can access Stephen's introduction video and webinar presentation for a 24 hour period on Thursday, November 5, 2020. Click the link below to get started.
